

Northumberland and Nelson Street Association *Incorporating Abercromby Place*

Annual General Meeting and Party Invitation

This year's AGM and Party will be held on **Sunday 10 September** in
St Vincent's Church, St Vincent Street at **2.30pm**.
(Small church at bottom of Howe St next to St Vincents pub)

Main Items for Discussion:

- **Changes to waste collection**

Update on the communal bin project introduced by City of Edinburgh Council and information regarding the green gull proof bags pilot and next steps.

- **Transport/Traffic calming**

Views on the traffic in our streets and the impact of the other initiatives proposed by the council for the City Centre.

- **Association constitution**

The Association does not have a current constitution and it is important that we have an approved constitution in order to be recognised by various bodies, including Edinburgh World Heritage. A draft constitution has been drawn up based on similar Associations for discussion/approval.

In addition there will be the usual AGM business and an opportunity for residents to raise issues of concern/interest to them. This is your opportunity to share your views about what is happening in our neighbourhood. As usual our local councilors have been invited to attend.

We are delighted that the popular **post-meeting party** will once again take place this year starting at 3.30pm.

We would appreciate if you could indicate your attendance and pay your membership dues prior to the meeting. There is no requirement to be a member to attend the AGM but we hope you will support the Association. Subscriptions are £15 p.a. per household.

For catering purposes please confirm your attendance to:
